

Programs and Services in Approved State Prevention Program Plans

The Family First Prevention Services Act (FFPSA) provides states, territories, and Tribes with new optional title IV-E funding for prevention services for specific mental health, substance abuse, and in-home parent skill-based programs. Jurisdictions can select from among 62 programs and services that have been rated as **well-supported**, **supported**, or **promising** by the Title IV-E Prevention Services Clearinghouse.

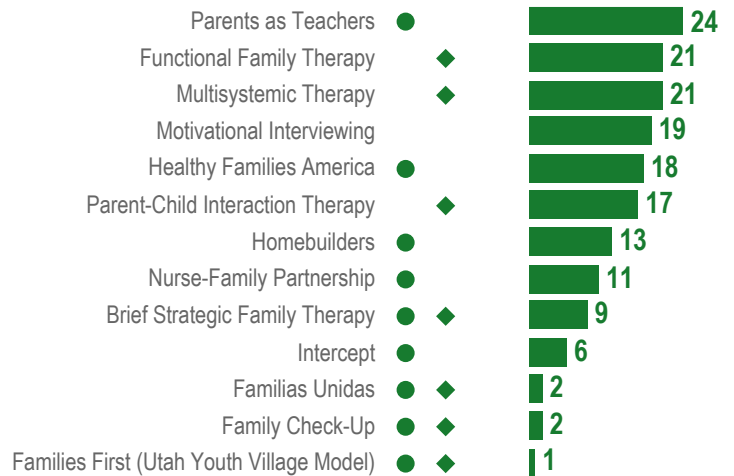

39

approved state, jurisdiction, and Tribal title IV-E prevention program plans to date have identified **13 well-supported**, **5 supported**, and **5 promising** evidence-based programs (EBPs) and services for reimbursement in the delivery of prevention services.

Most states have opted to include EBPs that are rated as **well-supported** by the Title IV-E Prevention Services Clearinghouse in their prevention program plans. The most chosen program across plans is the **Parents as Teachers** program.

Well-Supported

The clearinghouse has rated a total of **17** programs as **Well-Supported** and states, jurisdictions, and Tribes have identified and been approved to claim for **13** of those (13 out of 17 = 76%).

Supported

The clearinghouse has rated a total of **16** programs as **Supported** and states, jurisdictions, and Tribes have identified and been approved to claim for **5** of those (5 out of 16 = 31%).

Promising

The clearinghouse has rated a total of **32** programs as **Promising** and states, jurisdictions, and Tribes have identified and been approved to claim for **5** of those (5 out of 32 = 16%).
